"On the sake of the money,  
and your hopes you wish to —"

"Come, please don't  
your life where you stand.  
Give us one remaining  
proof of your loyalty!"

"Yes, a leader,  
I have had to release  
both and lose  
my worthy followers."

"I will not tolerate  
any rebellion.  
Give us one final proof  
of your loyalty to me."

The last thing my eyes saw was...

by that  
truth—

No disturbance  
to me will go  
unpunished,  
even beyond  
death.

My flowing blood will be beautiful foam gazing upon me—

"So that  
your eyes  
will never turn  
to anything  
but as long as  
you love."

By his side, my  
eyes were filled with  
painful tears.

One  
year ago,  
he was mine,  
as I was his.

As part  
of my  
promise  
now, the  
empty  
graveyard  
feels  
even more  
alone,  
pained  
by a fate  
leading  
nothing,  
but...

We  
both  
shared a  
promise  
that  
would  
be able  
to share  
our  
lives  
as one.

No one, including myself, was to know of "WTS" existence. However...

"I've  
made  
into my  
bed  
rooms,  
right  
after  
night."

"I've  
made  
into my  
bed  
rooms,  
right  
after  
night."

"Will you love  
throughout eternity  
with me, being forced to  
drink the blood of men?  
Or will I need to make  
you dry, till you are just  
a wither, I expect?"

"I've waited  
three years."

"Only a fool  
would think to  
spread rumors  
about me."

"Choose."

clinging  
I "break into  
people's bed-  
rooms right after  
night". What was  
nonsense calling  
me a "vampire"  
and the like.

One should not rely on the trust of anonymous letters!

It is the faith of the Bishop to send out a child like you on such a mission.

My apologies for having a month, such as yourself, called all this way from another tier!

Not to mention, I do not consider the Church's influence within my territories.

My goodness but I'll have under the impression a letter had been sent out from this way north.

I only wanted to say it would be acting as an observer in your hand.

The Bishop has been well with grief regarding the mysterious cases in this territory. Especially with the fact that they have not been dealt with.

Or perhaps you find demons to be harmful creatures.

Not to mention, the event involving around you being made a fearful lord three years ago.

If you'll have listening to these "rumors", you'd have found that every corpse had traces indicating they'd been ripped dry of their blood.

Then...

I can handle any problems in my territory with the force of arms, but

What can you do with creatures that are only reflected in my eyes?

Allow me to replace your accident there

I am certain a demon resides within his single eye

Your highest duty is as a demon

For the sake of the territory's peace, allow me to remove the demon that you feel so affectionately for

Not at all.

That's quite a remedy  
a sign of his loyalty  
to me.

A demon  
you say? What  
absolute nonsense!

ha  
ha

Yes,  
do you have  
any questions  
with this  
young man  
kneeling here?

Young  
man.

If I were to  
even doubt one  
of my loyal  
subjects, then I  
would keep  
watch over them  
personally.

A vampire  
like I ever  
imagined!

clatter

Are you  
saying  
Lord Yari is  
a vampire?

So, you're  
saying that  
Lord Yari holds  
wonderous  
mystic veins  
with the Duke?

Yes, that's  
exactly  
what I said!

No no, I hear  
it's the duke  
that's infamous!

Lord Yari  
is the duke's  
closest  
companion!

The  
vampire  
lord's  
words  
and  
actions  
were  
bizarre.

Indeed,  
there  
was  
something  
strange  
about  
my  
night  
eye.

You'd best  
attend any  
problems you  
may have,  
Lucas.

That is  
an ordinary  
punch of  
observation  
you have  
there.

— Lucas

You leaked some valuable information to the outside, huh?

You may as well take me home and stop...

What is there to be ashamed of?

No, I cannot stay here for much longer...

Or shall you rather keep me a miserable corpse?

Shall you live with me forever?

If you refuse to answer me tonight as well, consider our next meeting to be our last...

Your grief is like a beautiful hymn to my ears...

Then, I won't have to say night on your watchful form again!

I think  
that  
will  
lead  
to  
some  
thing  
more  
like  
a  
ring...

I think  
that  
will  
lead  
to  
some  
thing  
more  
like  
a  
ring...

I think  
that  
will  
lead  
to  
some  
thing  
more  
like  
a  
ring...

"You have three years ago,  
the Duke was found  
at the evening camp.  
Looking for their life,  
Lord Mami presented  
to the front lines for him,  
and ordered them out  
on his own terms."

Only  
that...

Will you  
pledge your  
absolute  
loyalty to  
me, P?

That's  
why he  
took his right  
eye—

Since the start,  
it had always been  
the duke's intention  
to keep Lord Yuri  
as a close mascot.

At any rate,  
you can't keep  
track of the  
number of subjects  
the Duke's cast  
away. There's  
no long-term  
address, and the  
duke's house  
is still here.

I don't  
think  
Lord Yuri's  
so dissatisfied  
to be it here  
as before.

You're  
late, young  
man.

I've been  
hearing the  
rumors again  
about my  
"highly noble  
into people's  
chambers".

and how  
I supposedly  
killed  
a woman.

He must've  
used some  
type of magic  
spell to erase  
the marks  
of his finger—

As you saw  
for yourself,  
it was the corpse  
of a woman that  
ended her life.  
Nothing out of  
the ordinary.

The lion marks  
on her neck  
have already  
disappeared.

The woman  
in Lord Yuri's  
bed chamber.

But he's  
certainly  
feeling  
his true  
nature

There is no  
truth that  
shows the  
Order to be  
wronged about  
an evil spirit

Seems like  
you've finally  
catching  
on, young  
man.

Do you  
mean to  
say then,  
your  
highness

It is clear  
the work  
of an evil  
demon  
is coming  
from them. That's  
one eye

It is only  
foolish of the  
people to say that  
a vampire caused  
that woman's  
death. \*

I can  
swear you  
my kind's  
mysterious  
deaths are  
not being  
caused by  
a vampire

Why does he  
not hear that  
a silent over sleeping  
chamber that is  
being broken into?

And I do  
not feel that  
this is a matter  
the church  
should be  
dealing  
with.

Lord  
Tou

As of yet,  
you are  
tied to the  
Order through  
your view of  
loyalty. Is that  
not true?

Could he  
really be feeling  
a sense of  
shame for  
this creature. \*

Come,  
Nari

Are you  
expecting  
him to walk  
young  
man?

Nari's loyalty  
to me is  
sworn...

He sent me a letter containing secret information as well...

How prove it now, didn't you...

Perhaps it was the man with the single eye he was referring to!

"How must someone see your guard?"

Before the feeling sent me off, he told me...

"Within that castle's walls..."

I fear "he" will be the source of your downfall.

Perhaps you could answer my questions simply, seeing as I am but a novice.

Is there a mystery weighing on your heart?

While you try to convince me that your friend is a forgiving man...

Would you still call me a traitor for opposing you?

And in your blindness, you made an oath of loyalty to a deceiver.

That does not have to be the tool which binds you to him.

Do you really  
intend to let  
yourself turn into  
a cursed beast?  
Feeding upon the  
blood of humans?

Lapsley is a  
demon that needs  
the lives of  
mortals cannot  
be allowed  
to carry on!

Do not  
trust my  
words!

Not at all.

He has his  
own troubles  
to face...

As a  
vampire,  
even you  
would  
kill me.

I do not  
wish it to  
come to that,  
so I pray I can  
help you in  
some way.

Your  
Purse's  
contents  
are the  
only  
treasure.

Just  
along  
in the  
world  
of this  
strange  
Lord.

Is that  
what you  
want,  
Lord Yori?

However,  
if that is  
not possible,  
I will simply  
have to  
leave.

Do you  
not have  
something  
to say?

That?

No there...  
this is not  
that night.

Ah, just as  
I thought.  
Now for a  
good boy and  
take your back  
just a little  
for me

Let me  
drink  
from you  
too

It is  
God's  
divine pro-  
tection!

No, it is  
not me.

Close little  
mouth...!

Now stop  
down!

Help  
water!

LEAVE  
us!!

I thought  
of it, but my  
cousinity got  
the best of me.

Was  
you not  
going to  
run away?

I wanted  
to know,  
Lord Yan.

It will  
end his life.  
But you  
already  
knew that,  
didn't you.

If you  
drove a stake  
into his left  
chest...

That which  
you desire  
most within  
your heart.

That which my heart desires most. What it craves.

Where  
are you?

Who could ever want to know that...?

You...

Someone other than "you"...

The days  
when we'd  
walk years ago,  
you tightened our  
bond between us,  
but your footsteps  
fade now.

Or is  
it you,  
Yumi?

Mark?

And  
that's why  
the memories  
echo  
in my eyes  
like a mare.

How glad to like a beautiful figure to my eyes.

Ah!  
How it  
tears me  
apart!

Before  
the dawn.

You'll  
come find  
me, won't  
you?

And  
yet...

Has not your single eye continued...

to sing its songs of glory for me as it will not!

Slightfall  
will be upon  
us shortly.  
Let us leave.

With no  
windows,  
it may prove  
dangerous.  
The sunlight  
could never  
reach us.

What do  
you plan  
to do,  
Lord Tarr?

You  
cannot  
walk around  
so easily  
within the  
castle.

And to  
harmless  
yourself  
within the  
room.

Do you  
not wish to  
free yourself  
from that  
demon's  
grasp?

No,  
need?

There is  
no need  
for that.

You are  
not entirely  
correct  
on that,  
Lord

Lord  
Tarr?

I was  
not the one  
who sent  
the Church  
that letter.

Free  
myself?

Why  
would you  
do such  
a thing..?

You  
pledged your  
loyalty to  
me, did you  
not?

How..?

Get  
away..

I've  
found  
you..

Yes..

Yes.

Like this forever.

I have been and always will be.

Yes.

Have you not always been the only one I turned to?

You cannot  
cut off  
your own  
life

I can feel  
your pain  
of having  
to endure  
eternity  
alone

With  
a demon's  
kisses that  
would  
frighten any  
man

Yes

But you  
cannot bring  
yourself to  
attack me

With  
such a life of  
torment

I will be  
as well...

CLANG

Do not  
worry long,  
for...

the crime  
of killing  
man's lord  
will surely bring  
me down  
to Hell with  
you soon

I was not the one who wrote that letter...  
Unable to live alone, unable to end his own life...  
(He) could not even bring himself to guide me down the path of end with him...

THE  
MACHINE

LIFE OF THE MACHINE

My grand-  
father's portrait  
will stain  
a lover's  
ground.

You  
ought  
laugh,  
but

I love you,  
Kogetsu—almost,  
even if you'd  
say that.

What a  
second...

Love!  
Is that your  
name?

Kogetsu Takano  
is puzzled by  
this pressing  
secret that  
close to his desire,  
was passed at  
such a young age.

You're  
stubborn, you  
dislike people,  
you're cynical  
and pessimist  
and...

you make me  
as a fool for  
dabbling with  
your second  
desire...  
I know  
that too!

Who are you?  
You're not Professor  
Kogetsu...

Professor Kawanishi is  
renowned as a genius.  
He made countless  
inventions and  
discoveries in any field  
concerning computers.  
He handles it  
very skillfully.

Correct  
document,  
Kawabata  
da-kun!

Did it  
look a little  
strange...?

I'm just a  
bored person,  
a people  
hater!

By the way,  
Kawabata-  
kun, I'm not  
a peasant.

Wait  
on the  
corner  
one!

You  
should ask  
"What  
is that!"

Kawabata-  
kun...

"What's  
that?"

What  
is he, this  
guy?

"What  
is that?"  
This  
thing...

Well,  
sometimes  
a small  
interview  
with you  
stylets.

This will become  
my replacement to serve  
in company for those big,  
strapped and rich bosses,  
those military executives or  
top party leaders guys.

But,  
I even  
solved  
that  
problem.

Kosuge, in order to  
lessen his troublesome  
burden of keeping  
company with people,  
made a robot that  
looks exactly like him

This is a  
mechanical  
Kosuge  
Takane

Love!?

Kandagata is a romantic person. Even so, didn't anyone notice Kanyo at all.

Remember this properly, the reason why you dislike Kandagata is because he's a man.

Men, unlike women, don't tend to care that much and as long as you deal with the usual duties, there won't be any complaints.

Not it was wrong.

Did he say love? Emotions simply result from an accumulation of chemical reactions.

Kanbayashi  
knows all my  
patterns of  
movement...

Yes,  
master.

Yes,  
master.

See properly  
and learn  
everything  
about me.

So what—  
he just spent  
a long time  
with me,  
that's all.

With your leave,  
you can study about  
me firsthand  
more faster than  
Kanbayashi.

The  
movement of  
all the eye  
movement.

Keep  
your mission,  
puppet.

That look,  
that's the  
way.

Definitely  
a Katsuo  
Tokuo  
style.

After a few weeks...

Patterns no.504 vol.200

I'm doing an experiment that is supposed to raise your brain up to my level... but it's very hard, you see. (sighs)

I didn't forget.

I don't see you that often some days

Please don't forget your technical skills in the military!

There he comes

Professor Koyama

That's odd

Is it true, professor?

I heard a rumor that the professor has invented a machine without any reason

How...

Excuse me, my friend is calling me.

Be careful

The professor always is mad...

but it's very hard, you see.

I'm doing an experiment that is supposed to raise your brain up to my level...

Go

With your brain it's possible to calculate that.

My inventions are perfect! Mistakes are not allowed!

Goodbye!

It is the biggest obstacle towards a proper robot is a robot.

I'm going to ask you. What exactly is my mission—

1. Robot can never harm a human.

"Trying to make me mad by doing some ridiculous statement!"

Complete your mission!

2. Robot can never harm a human and must obey their command.

At that time, the feeling that emerged from Kureya Takase was not a sentiment one towards the progress of his invention nor intoxication by the accuracy of its calculation.

I WAS  
ALREADY  
HUMILIATED!

IT WAS STILL  
OVER BECAUSE IT'S  
KINDNESS, BUT  
WHAT IF IT IS  
SOME STRANGER  
THAT DOESN'T  
KNOW YOUR  
POSITION?

Did you  
say "small  
stuff"?

Isn't he  
mad about such  
small stuff?

You're just  
saying because  
Kurogane  
didn't bother  
about you.

If you do not want  
to be humiliated,  
you better listen  
to my reports.

Calm  
yourself, that is  
so unlike  
you.

It  
was a  
hell of a  
eye

Don't  
call me  
"you"

You got  
carried away  
with emotions,  
that resulted  
from the  
accumulation  
of chemical  
reactions.

It's  
really  
unlike  
you...

"What  
did you  
say?"

"You've  
ordered  
me."

"Don't  
do some  
indecisive  
reaction but  
be a Koryu  
Takahara", you  
said so

"I have  
executed the plan  
not to become  
a 'trashcan  
that receives'  
but instead  
to become a true  
Koryu Takahara"

LIFE  
HONORIFIC  
LIFE LAST  
TAKET

DON'T CALL  
ME YOUR  
CALL ME  
"MASTER!"

I don't  
want to

If so  
then  
I am  
also the  
master

I'M  
YOUR  
MASTER!!

"I'm also  
your 'master'  
because you're a  
'Koryu'..."

"If you're  
my 'master'  
because I'm  
a 'Koryu',  
then

"Now,  
there's  
nothing I  
cannot  
do that  
you've done  
before"

The words that were said by the poppet made Korvy do some foolish things. Korvy even went to those evening parties that he hated so much.

What  
is it?

'Endless  
like' or?

What's  
wrong with  
professor  
today?

Endless  
like him

Serious.  
Let's go  
home...

Endless-  
you-like-  
him.

not  
feeling  
well...

Don't  
mind  
him

Serious is...

To Kanna  
it feels that  
Kantopu is  
so indirectly  
saying  
as a mistake

*What are you*  
*talking about, smart?*

*It's not like you*  
*at all.*

The puppet...  
The puppet has become  
me!

There's  
another  
me...!

Who am I  
Kobayashi-san...?

There have  
been too  
many  
of you  
in this world!

There can't  
be two  
souls in  
this world.

So...  
souls  
is the  
puppet.

only  
one Koyasu  
Takane and  
one piece  
of puppet,  
you know?

The ones  
that exist in  
this world  
are

You  
know  
souls

You're  
a puppet  
then.

There is  
no longer  
"Koyasu  
Takane",  
only an  
"it".

If the  
puppet has  
become  
"Koyasu  
Takane",  
then

*"Koreya  
Takeshi"*

*Because  
she was  
that's  
embracing  
the name of*

*"you  
don't  
want"*

*if you keep  
insisting that  
you're not  
the puppet,  
then*

*Because you're not  
"puppet" nor "Koreya"  
right?*

*ching*

Isn't  
there a way  
to prove that  
I'm Kureya  
Takeshi...?

If the truth is there  
are two Kureya  
in this world, but  
in this society,  
there's only space  
for one Kureya.

There's no  
two Kureya Takeshi  
in this world

If only  
there's a  
different  
way that  
I don't take...

If only there  
was a thing  
he cannot  
do...

I...

THERE'S NO  
PLAY IN MY  
MOTIVATION!

There was no  
such thing.  
The things that  
he does are  
essentially perfect.

with  
my own  
hands

You can't  
commit suicide....

(Among planets)  
3rd principle)

3. Robot can never  
harm a human  
and must obey  
their command  
and can never take  
their own life.

In short....

I AM HERE!  
THE PERFECT  
KOREAN  
TAKARA!!

I SHALL  
PROVE  
IT!!

KOREAN  
TAKARA  
CAN COMMIT  
SUICIDE!!

WHAH!

YOU'RE  
NOT THE  
PERFECT  
KOREAN  
TAKARA!!

YOU  
PUPPET!!

SEE  
PROPERLY  
AND LEARN  
PROPERLY!!

DANG

It sounds like a typical Katsura conception, Katsurayama thinks.

Prince  
of  
Monsters

One upon  
a time, there  
was a kind and  
compassionate  
prince

The Prince lived in  
a palace at the bottom  
base of the castle.  
The Prince's parents,  
the King and Queen who  
were kind and noble,  
died and the new king,  
the Prince's uncle,  
was the one who  
trapped him there.

The Prince's  
eyes were as  
red as a devil's

The Prince was a kind  
and compassionate  
person, but the people  
called him "Prince  
of Misery", and  
he was hated and  
considered taboo  
by the people.

The one who got lost 13 years ago and was born from a different mother.

Now let's hear her story, I see...  
Dear King.

There's no way that the kind and pure-hearted prince can be a monster!

The Prince is a legitimate child of the Queen. My mother was born a daughter of humble birth.

Keep talking nonsense!

Now come  
hurry!

Let us witness  
monster's blood kin  
the Prince of Monstrosity

Wearing  
the throne  
for himself, he killed  
the King and Queen

and used  
those ground-  
less rumors  
such as "Prince  
of Monstrosity" to  
express the  
Prince who had  
the right to  
inherit the  
throne...

...that was  
my mother's  
plot.

I see the  
truth that doesn't  
deserve to inherit  
the throne...

Looks like  
I've been  
watched.  
I was just  
warning you,  
Dear King.

Isn't  
you  
cold?  
Isn't  
you  
scared?

I'm not  
cold nor  
scared.

Brother,  
please  
go back  
and don't  
worry.

Prince  
... Prince  
...  
No  
prince  
...

He's  
a gentle  
Prince...

So, what will  
happen to your  
sin of killing  
our uncle?

If you stain  
your hands  
because  
of me, I'll  
kill myself!

No matter  
where you'll kill,  
if the opponent  
is a human,  
a sin is a sin...

That man had  
committed that  
crime by killing  
the king and  
Queen...

If it's like  
that,  
he'll commit  
more crimes.  
Therefore,  
before that

Just be patient for  
a little bit more  
soon, I'll free you  
from this place...  
After I kill  
that man...

To  
kill...

It's the  
system  
of all

Prince...

Maybe the reason why the King and Queen were killed was because of me.

As they are, maybe I am a "Prince of blood" after all...

Your eyes are dark, even looking through the color of blood. The darkness of your eyes is the proof of your pure heart.

They say I'm a cruel monster with red eyes though.

You're not a monster!

Because you're just like the prince that brings out my all those happy times...

There's no one else who has a beautiful heart and looks as you...

Do you know?

The Prince on the story takes someone away and is happy in the end always.

There, there  
Don't say  
such nonsense,  
and please go back.

brother

BASA

Yes

Have  
you met  
the  
Prince?

What  
a fine  
person  
he is

...the  
Prince, he is  
the object  
of my  
admiration.

Only  
once

Actually  
it is very  
cold.  
Actually,  
I'm very  
scared

and never  
complaining,  
even though  
he's treated  
like that.

Why do  
the people  
carry those  
red-colored  
eyes so  
much...?

Why does it  
all happen  
to me...?

Every night,  
my mind  
will come  
and strip  
me off its  
whip me...

Monsters, he  
does things  
that I'm too  
afraid to tell...

Just  
the truth  
is I want  
him to stay  
near me  
forever...

If he keeps  
being  
around me,  
soon they'll  
call him  
"Prince of  
Monsters"  
too.

Your  
true subjects  
will come and  
rescue you.

If you're as real,  
jump out the  
window then.

Suck  
puff...

"Prince of  
Shower?"

If you  
do so,  
you won't  
be cold  
or scared  
no more.

Even if so,  
I won't  
be able  
to see my  
brother  
anymore.  
Will I...

By that  
time  
(crying)

No,  
he was  
pushed.

13 years  
without  
dad?

Don't  
blame  
yourself!

I can  
only lay  
flowers...

Don't you lay  
those flowers  
on your  
brother's grave  
everyday.

From  
what I've  
heard, didn't  
your brother  
jump from the  
tower...?

Not flowers  
but this  
flower is  
appropriate  
for the Prince,  
and I always  
regret this...

That is why,  
a person like  
me can  
understand  
them.

Why is it a  
punishment,  
that my  
understand  
man was dead and  
he himself  
has gone  
mad?

XXX

Please restrain  
them, my brother

Please  
allow me  
to eat that  
meat flesh,  
brother...

I can't  
allow  
this...

WING

Didn't that  
man eat  
my body  
last?

This man  
has gone  
crazy  
already,  
dear  
Prince

Back  
master,  
dear  
brother

God has  
punished  
this man  
for us

WING

I'm  
happier  
that  
brother...

And now,  
I live by eating  
human flesh...

I don't  
hate  
you,  
Prince  
...

A kind-  
hearted  
person! She  
won't do  
that kind of  
pretense!

Even if  
it's your  
sister, but  
she's making  
him choose  
enough!

It is I,  
who made  
him crazy  
and run  
back...

My servants  
had killed  
his wife and  
children.

15 years ago,  
I lost my  
life as a human  
and became  
a true 'Prince  
of Monsters'

You yourself and that killing was the upshot of all...

Don't speak such nonsense!

He was just deceiving you, dear brother...

That man isn't anyone anymore, dear brother...

He repaid his country three months ago...

If he's left to do as he wishes, soon he'll commit another cruel crime. Didn't you say that dear brother...

No one has the looks and heart as pure as yours.

Don't commit that disgusting sin...!

Dear, no matter whom you'll kill, if you kill a human, a sin will be born.

You're the one that answered and stopped me, dear friend!

That I  
can't come  
back.

to become  
a human  
again.

W  
A  
A  
A

For 15 years,  
I always  
placed those  
flowers  
on your grave.

Having  
taken things,  
the Queen  
said I should  
not put flowers  
for "Prince  
of Monsters".

Where can  
you find  
a monster  
that even  
wrote notes  
to prey...?

...Ah...

Prince

You want  
to turn  
back to  
a human,  
right. "

It's not  
like what  
she said  
was true

You're  
still  
a kind  
prince

Tomorrow night,  
I'll come and  
destroy the  
Queen.

More than  
anything  
else...?

Yes,  
that.

Do you  
love the  
Queen from  
the bottom  
of your  
heart...?

Of  
course.

G!!

It seems  
that the Queen  
dominate you  
every night.

Have you  
become  
a true  
monster? "

Some  
thing  
went  
wrong...

There must be  
a way to turn  
you back into  
a human. "

What are  
you going  
to do,  
Princess?

The Queens  
and I  
love each  
other... "

There  
is  
none...

Is this  
the thing  
you want  
to discuss  
about, dear  
King?

Isn't there a  
way to  
send the  
Prince  
back into  
a human  
body?

Even if it's  
dangerous  
for him,  
he has  
no choice  
about  
becoming  
human.

Such  
a lot...

If he won't  
use human flesh,  
his body and heart  
will never find the  
real monster.

and soon he'll  
forget how  
to discriminate,  
then he'll bring  
chaos to this  
world.

There is  
no such  
magic spell,  
dear King.

Even if  
there is,  
the Prince said  
"There's none."  
And that means  
it's "a spell  
that shouldn't  
be known"  
by you.

And it's  
a spell that  
the prince  
himself  
"could never  
do"...

Yes, the Great  
Magician, who  
has been serving  
your  
father's period,  
must know  
something  
about it.

Tell me  
how to  
use the  
Prince!

Save the  
Prince!

Keep the  
cruelty,  
tell me  
quickly!

Isn't it the  
Queen's  
order...?

Rather  
than that,  
why don't  
you kill  
the Prince?

If so,  
you can  
save the  
Queen!

But maybe  
if it's the  
King who  
poisons  
the drink,  
he can be  
killed.

Surely

A while  
ago, you  
were the  
one who  
said the  
Prince is  
immortal.

SU

Why the  
Prince has  
chosen the  
Queen...

Do you  
know that,  
yesterday, my  
uncle didn't  
manage  
to kill the  
Prince?

It is always  
speculated  
that the one  
who can kill  
an immortal  
must be a Royal—

The prin-  
cess that  
kary takes  
are somehow  
based on  
reality?

I wonder  
what it  
supplies to  
the Queen...

But the  
uncle failed  
to kill the  
Prince and  
was eaten.

The uncle  
regained his  
sentry and  
tried to kill  
the King...

There  
was this  
uncle...

"An ugly useful  
person, if only he  
killed before he  
does a crime."

You're not  
true to the Prince  
once, then...

No matter who  
they are, if they're  
killed a person,  
it's not a crime...

In this world,  
I'm not the only  
monster that  
can fly.

Do you  
love the  
Queen that  
much...?

Why do  
you keep on  
interfering  
with me...

You  
screwed up!  
My dear  
brother...

If you can't  
tell me how  
to change  
you back into  
a human!

If you must,  
then you must  
kill me to  
take her!

I can't  
let you  
out the  
Queen!

If you kill me,  
you can save  
the Queen.

Is it for  
the Queen  
you're  
doing this...?

Oh, is  
it for  
me...?

Wouldn't it  
be great if  
you just  
kill him?!

There's no  
need for  
you to get  
killed...

Do you know  
that if the  
princess is  
truly of Royal  
Blood,  
he can kill  
me...

You  
can't say  
a "cross",  
can  
you...?

If you eat  
me, you can  
return back  
into a human,  
can't you...?

Yet your brother's faith  
The one who thinks of  
you more than anyone,  
"Sympathy" will turn you  
back into a human,  
the crew and to the Prince

'If that's the magic spell, then it's the same as mine,' the Prince said to the crew

'If you  
won't cut  
the King,  
then die!'

"An ugly, sinful  
person should  
be killed before he  
does a crime."

"It seems that  
the Queen was  
righting with our  
circle to kill me..."

"But I can't  
shake your  
hands  
with ugly  
blood..."

"I could  
have  
ended it if  
I shed  
my hands  
instead of  
you..."

"No matter  
what they  
say, if they've  
killed  
a person,  
a sin is  
a sin..."

"This  
time, it's  
my turn  
to save  
you."

"Let me  
and turn  
back into a  
human."

"It's  
already  
done,  
Princess..."

"It's  
done."

"I could have  
ended it if I kept  
on eating sinful  
people instead  
of you..."

"I  
can't..."

"I  
can't..."

It's  
going to kill  
the most  
important  
Prince.

A kind-  
hearted  
Prince can  
never  
understand  
it.

To live by  
nature,  
humans  
is  
probably  
more  
depressing  
than  
any  
other  
things.

Wah,  
please  
cut  
this  
life  
before  
I  
turn  
into  
a  
real  
monster...!!

I  
can't  
do  
it.

What  
Tio  
most  
depressed  
about  
is  
to  
live  
on  
this  
disaster  
upon  
you....

And  
no,  
why  
would  
you  
ask  
me  
to  
kill  
you...!!

I  
would  
rather  
be  
killed  
by  
you...!

But...  
even  
...

and be a  
real monster  
that brings  
disaster and  
kills me.

I prefer that  
you lose that  
kind heart  
and live  
without any  
guilt  
forever.

Even if I forget  
the human I heart  
and turn into  
my real monster,  
this promise I  
shall not forget.

So please  
accept me  
this.

Even if I can't  
withstand the  
ways to not a  
human when I  
turn into a real  
monster.

Brother

can you  
accept  
your sister  
as my  
hand...?

I shall promise  
you that I will not  
bring disaster  
to this world  
and you will fulfill  
your life again.

I shall  
not forget  
your name  
forever...

Could  
he think  
of it...

The pain  
of eating  
a person's  
heart, because  
of this scar, I  
might be able  
to preserve  
the human  
heart...

The  
blood  
Prince...

Prince  
is...

What are you  
talking about?  
You are not  
my brother  
anymore...

I shall  
not leave  
you alone  
anymore...

This is  
the proof  
that you're  
a true  
Royal.

Even if  
my body  
turns into  
a monster,  
this scar  
will never  
disappear...

If I could  
do such a thing,  
I would have  
not you  
anymore...

if I  
could do  
that...

12 years  
ago, on  
that day...

Princess!

I shall  
remember it  
forever...

Evening,  
your  
face...

Emotion was overflowing from the Prince's red eyes,  
but because of his brother's name on his palm  
and his hands it is together with him forever,  
he was able to smile and say farewell to his brother.

There  
will come  
a time for  
the two of  
you to meet  
again.

If you are  
not the one  
to make the  
Prince happy,  
who else can  
it be?

And you  
forget the  
words you  
said to  
him...

"The Prince  
as the fairy  
takes someone  
managed  
to be happy  
in the end,  
always."

the fairy-tale  
of the two  
of you will  
continue...

Until the day  
that he is  
able to sense  
his true  
happiness,

怪物王子 / END

## PRINCE OF MONSTER

MODORU MOTONI

Your grief is just  
like a pebble of poison.  
I am a wolfing wolf  
that is starved for love.  
I survive by devouring  
people's yearning hearts.

On nights of the  
full moon, there is  
nothing you can do  
and there's nothing I  
can't do. Did you know that?  
Otagoroshis Prince will  
finally, without a  
doubt, see happiness.

BECAUSE  
A GENTLEMAN NEVER WOULD HAVE THE  
COURAGE TO LEAVE HIS BEST FRIENDS BACK  
FOR MONTHS IN THE GENTLEMANLY AND  
COURTEOUS AND A MODERATE MANNER. HE  
WOULD HAVE WALKED AWAY IN THAT  
GENTLEMANLY MANNER AND WALKED

The

of half a

were only  
below the  
waist!

THEY WERE BOTH  
SMILING AND  
LOOKING AT EACH

THEY WERE  
BOTH SMILING  
AND LOOKING  
AT EACH OTHER.

THE

SMILING.

HE WAS  
SMILING.

HE SMILED A BIT  
AND NODDED.
